AN OPEN INVITATION

The North American Passive House Network (NAPHN) is pleased to announce our recent incorporation as a legal Cooperative entity. We warmly invite you to formally join our new cooperative. This invitation is extended to groups historically active in NAPHN and also to all regionally based organizations which promote the Passive House Standard in North America.

Membership Eligibility:

- Organizations, whether incorporated or unincorporated, that meet the below criteria may be eligible for membership. (Individuals and commercial corporations are not eligible for membership.)
 - The organization agrees to be a democratically run, membership-based entity that promotes the Passive House Standard in your region.
 - The organization agrees to uphold and abide by the bylaws of the NAPHN and actively participate in its governance and operation.
 - The organization understands that no exclusive alliances are required for NAPHN membership. The organization understands that it may freely associate with any other entities and promote additional building standards.

For further reference we attach the following documents:

1. About NAPHN and Cooperatives
2. Subscription Agreement (application)
3. NAPHN Articles of Incorporation
4. NAPHN Bylaws with Organizational Resolutions

Please review the documents and let us know of any questions. Submit the Subscription Agreement when ready. We look forward to a growing cooperative effort.

Sincerely,

Bronwyn Barry, Co-President

Ken Levenson, Co-President
